Short description of the course

This course is aimed at:

- providing a grounding in the concepts on which the common law approach to dispute resolution is based
- describing the common law dispute resolution systems in which cross-examination takes its place
- explaining the rules of direct and re-direct examination and of cross-examination
- giving guidance about how to ask effective questions in direct, re-direct and cross-examination
- giving delegates a chance to ask questions in direct and cross-examination
- describing the process of preparation needed to ask effective questions in direct, re-direct and cross-examination
