Four Institutions

Milan Chamber of Arbitration (**CAM**), German Arbitration Institute (**DIS**), Stockholm Chamber of Commerce (**SCC**) and Vienna International Arbitral Centre (**VIAC**) in cooperation with the Young Austrian Arbitration Practitioners (**YAAP**) are delighted to invite you to a special Round Table which will host the second international case manager meeting in Vienna.

Speed-date your case manager

Case managers from each institution will give practical insights into daily case management issues: take the opportunity to ask them questions while enjoying your glass of wine and some snacks in a “speed-dating”-setting on tables of four small groups.

You are welcome to submit your questions in advance, to make sure they will be answered during the discussion.
